TechNova Solutions - Employee and Customer FAQ

This is a sample document for testing a RAG project. TechNova Solutions is a fictional company.

1. About the Company

TechNova Solutions was founded in 2018 and its headquarters are in Pune, India. The company has 120 employees. Its main product is NovaDesk, a help-desk software that lets businesses manage customer support tickets in one place.

The company has two offices: the head office in Pune and a smaller engineering office in Bengaluru. The founder and CEO of the company is Meera Kulkarni, and the head of engineering is Arjun Rao.

2. Working Hours and Leave Policy

Office hours are from 9:30 AM to 6:30 PM, Monday to Friday. Saturday and Sunday are weekly offs. Employees may work from home 2 days per week, and the days must be agreed with the team manager.

Every employee gets 24 paid leaves per year and 12 sick leaves per year. Unused paid leaves can be carried forward to the next year, but the maximum carry forward is 10 leaves. Sick leaves cannot be carried forward. A medical certificate is required if sick leave is longer than 2 consecutive days.

New employees have a probation period of 3 months. During probation, employees get 1 paid leave per month. Maternity leave is 26 weeks, and paternity leave is 10 working days.

3. Salary and Benefits

Salary is credited on the last working day of every month. Salary slips are available on the HR portal.

Every employee and their immediate family are covered by health insurance of Rs. 5 lakh per year. Each employee also gets a learning budget of Rs. 20,000 per year for courses, books and certifications. If an employee refers a candidate who joins the company and completes 6 months, the employee gets a referral bonus of Rs. 25,000.

4. NovaDesk Plans and Pricing

NovaDesk has three plans. The Starter plan costs Rs. 999 per month and supports up to 5 agents. The Pro plan costs Rs. 2,999 per month and supports up to 25 agents. The Enterprise plan has custom pricing and supports unlimited agents, and customers must contact the sales team for a quote.

All new customers get a free trial of 14 days. No credit card is required to start the trial. Customers who pay for a full year in advance get a discount of 15 percent on the Starter and Pro plans.

5. Refunds and Cancellation

Customers can cancel their subscription at any time from Settings, then Billing, then Cancel Subscription. After cancellation, the account stays active until the end of the paid period.

Annual plans can be refunded within 7 days of purchase. Monthly plans are not refundable. Approved refunds are processed in 5 to 7 business days and are sent to the original payment method.

6. Customer Support

The support team is available from 9 AM to 9 PM IST, Monday to Saturday. Support is closed on Sundays and national holidays. Customers can contact support by email at support@technova.example or through the chat button inside NovaDesk.

Response times depend on the plan: Starter customers get a reply within 24 hours, Pro customers within 4 hours, and Enterprise customers within 1 hour.

To reset a password, go to the login page, click Forgot Password, enter your registered email and follow the link sent to your inbox. The reset link is valid for 30 minutes.

7. Data Security

All customer data is stored on servers located in India and is encrypted using AES-256. Backups are taken every day and are kept for 30 days. NovaDesk supports two-factor authentication, and it is mandatory for Enterprise customers.
